Returns come after the investor is dead.

LATENCY HOURS TO DAYS EACH WAY MONEYFORMARS.COM

COMET CLAIMS

Objects passing through every few decades.

LATENCY MINUTES AT CLOSEST, THEN NOTHING MONEYFORMARS.COM

MINERS

How do they get paid when no one can check the work?

MONEYFORMARS.COM

PER-002

FARMERS

Control the calories, control the power.

MONEYFORMARS.COM

PER-003

TECHNICIANS

Most important in an emergency, paid least until then.

MONEYFORMARS.COM

PER-004

SCIENTISTS

Who owns a discovery made far from any patent office?

MONEYFORMARS.COM

PER-005

MERCHANTS

Supply chains stretched across the solar system.

MONEYFORMARS.COM

PER-006

SMUGGLERS

Working around the rules or their enforcement.

MONEYFORMARS.COM

PER-007

ENTREPRENEURS

Starting ventures far from their investors.

MONEYFORMARS.COM

PER-008

PROSPECTORS

Gambling on a hunch, a rumour, or a sensor reading.

MONEYFORMARS.COM

PER-009

BROKERS

Information as currency.

MONEYFORMARS.COM

PER-010

DOCTORS

Life and death far from hospitals.

MONEYFORMARS.COM

PER-011

CONTRACTORS

Portable reputation, project to project.

MONEYFORMARS.COM

PER-012

MIGRANT WORKERS

Sending money home across distance and time.

MONEYFORMARS.COM

PER-013

SHIP CREWS

Months in transit between economies.

MONEYFORMARS.COM

PER-014

EARTH INVESTORS

Cannot visit the investments.

MONEYFORMARS.COM

PER-015

BANKERS

Local trust networks doing what banks do.

MONEYFORMARS.COM

PER-016

HEIRS

Assets that outlived the people who owned them.

MONEYFORMARS.COM

PER-017

CUSTOMS OFFICERS

Controlling borders between jurisdictions.

MONEYFORMARS.COM

CHILDREN

Born in space with a different status than their parents.

RETIREES

Pensions far from issuers.

TOURISTS

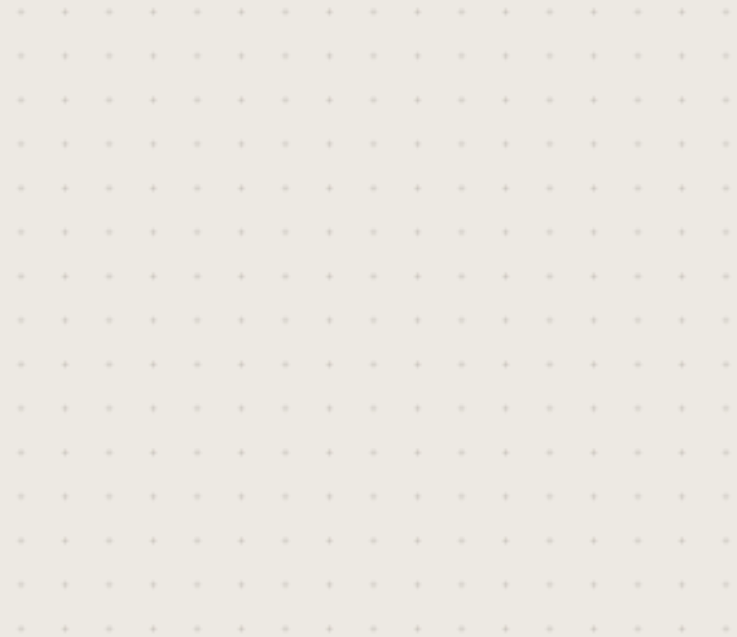

Brief visitors with deep pockets and shallow context.

LOANS

Funds advanced now, repaid later with interest.

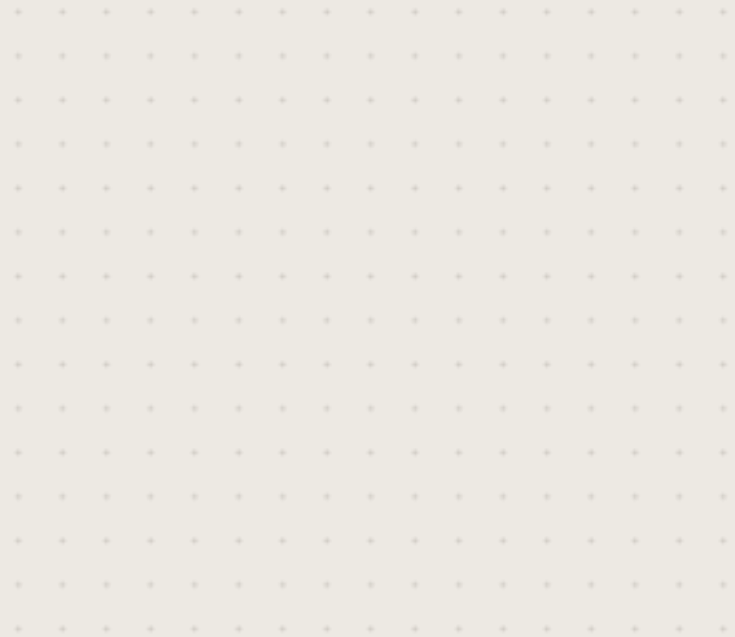

BONDS

Borrowing from many lenders over years.

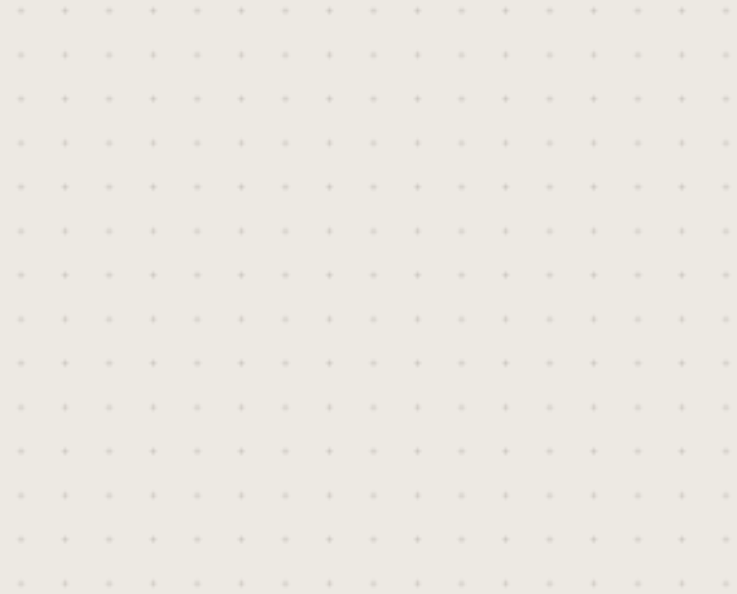

MORTGAGES

Long-term loan secured by property.

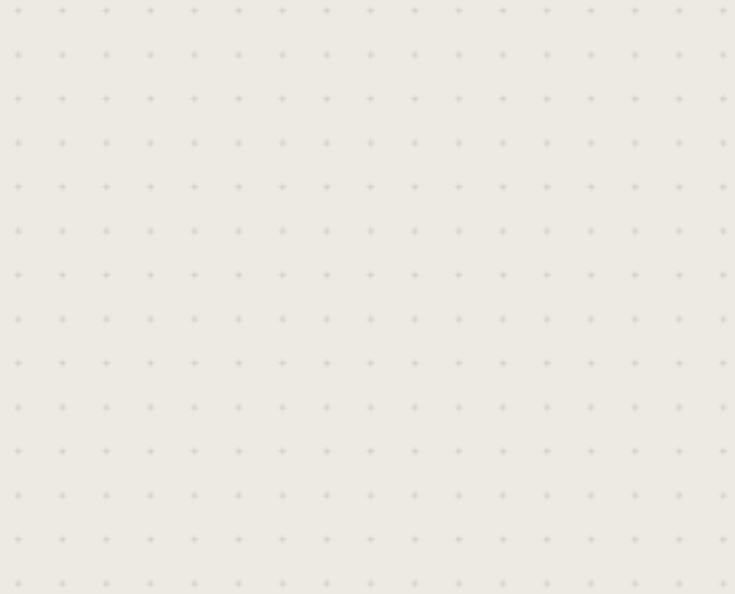

SHARES

Partial ownership of a company. Voting rights across light-minutes.

VENTURE CAPITAL

Money for a new business in exchange for owning part of it.

TOL-006

INSURANCE

Pooled funds covering specified losses.

TOL-007

FUTURES

Locking in a price now for delivery later.

TOL-009

REMITTANCES

Sending money from worker to family across distance.

TOL-010

LETTERS OF CREDIT

A bank guarantees payment once conditions are met.

ESCROW

Third party holds funds until both sides perform.

TRADE CREDIT

Buy now, pay later — extended by the seller, not a bank.

SAVINGS

Value held now for use later. What interest rate when there is no central bank?

PENSIONS

Income paid in retirement, funded by contributions over a working life.

TRUSTS

Assets held by one party for the benefit of another across generations.

CROWDFUNDING

Many small contributors, one project.

MUTUAL AID POOLS

Groups covering each other's losses, without an external insurer.

GRANTS

Money given without repayment, allocated by a committee.

LEASING

Using something without owning it.

CREDIT LINES

Borrowing you have agreed in advance and use when you need it.

AUCTIONS

How do you set a price when nothing like it has ever been sold?

FREEPORTS

Duty-free zones where goods sit outside every surrounding jurisdiction.

RELAY FAILURE

The link to Earth goes down. Nothing arrives or leaves for six months.

THE SHIP DOESN'T COME

Resupply misses its window. What was ordinary is now rationed.

EARTH CHANGES THE RULES

A new law makes your instrument illegal to hold. You hear four months late.

THE FAST ROUTE OPENS

A journey that took two years now takes four months.

THE CURRENCY SLIPS

The Earth currency your contracts are written in halves in a week.

THE BIG COUNTERPARTY LIED

The largest player in the system has been misstating what it holds.

A GENERATION ARRIVES

Population doubles in a year, mostly people born there who signed nothing.

CLOCKS DIVERGE

The parties no longer agree what time it is, and the disagreement matters.
